プシュー…
Sitting in the bus for a long time is harsh
Phew... Finally here~
The scenery is beautiful! Almost as if there's something here!
...Like bears?
Or tanuki or wild boars...
SOW DON'T JINX IT!
Seriously!
Although, it's unlikely to see it, I think that there are bears and boars here!
Because it's early spring
Eh?! Are you kidding me?!

HEY HEY! COMING TO A PLACE LIKE THIS IS IT REALLY OKAY?
Please spare me the horror of dying because of bears
I don't think they'll come down from the mountains. As long as we're not in the eye on winter and they're not starving, I think we'll be okay!
WHEN YOU SAID "THINK" YOU MEAN YOU'RE NOT SURE RIGHT?!
Wait...
It's okay. Aren't we here with Sou? Right?
Stop imposing on others!
I'm only going to save Sui!
Sou!
Hey!
Be-sides...
Peck
Ah... The air is so fresh in the mountains.
They're here, too...
And they're not being as squeamish with beasts.
Why do I have to come to this mountain?
ぶつぶつ...
HAHA
Those guys...

Sou?
IF HE JOINS THE CLUB I'M DROPPING OUT! I'LL SERIOUSLY DROP OUT!
Gyuu
HEY HEY.. DON'T BE LIKE THAT---
Gyuu
It's fine if it's just Keiji, but I never imagined he would want to join...
For what reason did you join the club?
UFU
Will it inconvenience you, if I join?
It's because I'm interested in the club!
What? Isn't obvious?
Is there something wrong with that?
..Nope.
It's simply that I don't want to stay close to someone I don't get along with.
Is that so?

SORRY TO INTRUDE..!
But I really wanted to get along with you guys...
I want to join the club, too!
That's the most suspicious—
Ah, That's the werewolf I already here...
He took a detour here.
EHH?!
A werewolf is joining our club?!
There're others who want to join our try?!

ドーン
If I remember correctly, weren't you searching for something?
Aren't you the same? What are you doing here?
Since they seem to be conducting research on the unknown, I thought I'd be taken into consideration.
My thoughts exactly! What coincidence!
Id
I'm joining the club, too!
EH EH EH?!
Even the vampire too?!

ガチャッ
!?
Wh Who is it now ?
Seriously!
Since these two rivals are here together, there must be something fishy going on!
There's no way I'll let them be the early birds!
Actually, she was listening in on their movements.

WHOA! THE NUMBER OF PEOPLE HERE KEEPS INCREASING! WHAT HAPPENED?!
YAKKUN!
Yakkun! These people want to join the club!
WHAT--?!
Really?!
わっ
While I was late because of weekly duties, the number of club members increased to an unheard of number since previous generations.
With this, we can become an official club! Isn't that great?!
Not just becoming official..
With this many people, just using the tactics of numbers... We can achieve our long-term dream...
FINDING THE MYTHICAL SERPENT TSUCHINOKO!!!
Exactly, Yakkun!!
If we don't have enough members it is difficult to search for it.

There's nothing to worry about, let's all happily join in club activities ♡
Okay?
Don't be like that!
If my condition has already been considered...
Even though I said that I'd just if Kaiji joins—
All right—! As part of club member bonding, let's go search for the Tsuchinoko—!!
Ehh—!
TSUCHINOKO?!
WH-WHAT?
EH?!
Eh?
Never mind..... I'm fine, but Sou, you guys...
Yeah... Even if you put it that way, we don't have the slightest idea at all ..
Apart from Sou's powers, nothing has changed...
Don't worry about them!
it's because of you two, right? Isn't it just because they're still suspicious?
For those guys to join the trip, no matter what you think,
How's that possible?!
Isn't it because they are just interested in occult...?

Since it's like this, let's stop caring about them all together!
Even if they continue to investigate us, nothing will come out of it!
You're right... It's best not to mind it too much...
Indeed, always being tracked by people isn't really fun...
Yeah...
Speaking of which There is no other solution but for it
Ah!
Time to go!
Oi, seems like Tsuchimi appeared. Time to move towards the point— Gather everyone—

Sui, want to hold hands? So you won't get lost.
Then should I carry your bag for you?
Are you tired? Don't hold it in!
As long as there's only one road, I won't get lost...
It's okay, it's not like it's heavy...
Don't worry, I'm fine!
What do you think? About that
Eh Hahaha

Everyone, listen up! If we capture a Tsuchinoko, there will be a reward!
They're capturable, unlike ghosts! So we must capture it!!!
We must search everywhere in the name of our club, in order to get the reward--!!!
Yeah
Yeah
Whisper
Ghosts can be captured, too!
Receiving reward for...
Don't say that. No average person can capture one!
Exorcise them completely

ガサ…
ガサッ…
ガサ…
SERIOUSLY! WHY DO I HAVE TO SEARCH WITH YOU GUYS?!
ガサ ガサ
Well, you didn't have to come!
BE QUIET! I CAN DO WHATEVER I WANT!!!
Um...
Tsuchinoko is a nocturnal animal, so you won't find it in bright places...
If you guys hadn't joined, I wouldn't have either!
ガサ ガサ ガサ
ガー!
STOP GIVING ME ORDERS YOU FAT PIG!!!
ハァ

If they aren't... I'm seriously going to kill them!
Even that pig, too...
Eh?
Are they really hiding some secret---?!
These two...

Sou...
If you keep following me, what's the point of splitting up to search...?
Okay, give me some space.
Search somewhere else!
What's the problem? The only people that are actually searching are Kitano and the president, after all.
SOU!
Never mind, if Sou's not moving, I will!
SOU!
DON'T FOLLOW!
IF YOU DO I WON'T SIT NEXT TO YOU ON THE BUS RIDE BACK!!!
UUHH...

What are you guys doing?
I heard someone found Tsuchinoko underground, so I thought I'd try digging.
Eh---
Can I help out?
Of course..
But is it all right to cast Sou aside like that? He's glaring at us.
And yet, he's not coming any closer!
That's unusual...
Always sticking next to me isn't good..
I'm thinking of slowly separating myself from Sou..
glare
DEPRESSION
So today I gathered all my courage,
Ah
I told him not to follow me. I thought it was a good opportunity for him to learn to be independent.
...and told him that if he followed me anymore, I wouldn't sit next to him on the bus ride home!
Hmph!
ムリ!!

H-Heh... Did you hear that, Sou-kun...?
Don't force yourself..
With that kind of condition?
Ah...
That's right... Hey, Sui...
The entire way here, seeing Sou like that..
Even after he heard your condition...
He wasn't really sticking to you, but more like trying to protect you? It shouldn't be...
Even when you're in classes he's always like a bodyguard...
I think "sticking to me" is a little... Kind of...
Hm...
Sou... wasn't always like that in the past..
Sou used to be always socially active, and always smiling...
I can't imagine Sou being like that...
Yeah, yeah.

Hey... Last winter... Isn't that really recent?
Is your body okay?
Haha, I'm completely fine! Although, I said it's a car accident, I only got a few scrapes and bruises!

But... For Sou, since it happened right in front of him, I think it must have given him quite a shock...
He always keeps blaming himself, since he was right there in front of me... No matter how many times I tell him it's not his fault, he doesn't listen at all ..

Ever since then, Sou has labeled me as someone who easily gets into danger,
that's why he's always by my side and is over-protective...

Last winter, I got involved in a car accident, but after that...

Sou became like how he is now...

The accident didn't occur because I was accident-prone!
I'm not that clumsy!
But!
It just happened to start snowing that day, and the car skid on the snow!
The driver also came to explain!
That split-moment when we confirmed of the existence of the power was also four months ago.
That day should be roughly four months ago—!
...it started snowing...
The day...

So, I'm actually very reliable,
there's no need to keep monitoring me!
Why does Sou want to keep protecting me even now...?
It's almost like if I leave his sight, I'll disappear.
There's no way that would happen.
could I be just a calculation?
